

Math 205

Assignment #9

Due: March 27, 2015

The following questions come from your text – HH. Please provide as complete answers as you can – each question is worth 5 marks.

1. Chapter 8 Review pg 485: #83, #85
2. Section 11.4 pgs 607-608: #24, #30
3. Section 11.6 pg 627: #26
4. Section 11.7 pg 635: #8, 19

(Note: your next midterm will consist of 3 questions which are very similar to some of the above or combinations of some of the above. Not the SAME questions but close enough that this assignment will be a good study/preparation aid for the midterm.)
